The hood is in a double layer of fabric, the drawstring holes are in metal and the drawstring is finished with a metal end which is open at the bottom.

Cord in a different color

You can choose to replace the drawstring with a different color or type of string. You can choose from 3 different types of drawstrings ST116 Sweatstring, ST123 Sweatstring Round or ST122 Sweatstring striped.

Drawstrings in child sizes

According to the standard DS EN 14682, there must be no tie straps and cords in children's clothing in the head and neck area. That's why we have taken the strings out of ST718 Hooded sweat in children's sizes. In a period, there will still be metal eyelets in the hood, but all new arrivals will be without eyelets and drawstrings in children sizes.

The sweatshirt has only a small size label on the left side of the neck. In the left side seam is a small label with the product name and washing instructions. We call it BRAND YOURSELF, ALL PRODUCTS WITHOUT LABEL.
